Date commented (18/10/2015 YYYY)

Please indicate any issues, comments and concerns with regards to the proposed project:

The proposed location of the project has been changed from the original location/area of development with the result that the development will negatively impact on an existing wetland, floodlines, waterways and the availability of water within Glen Austin. Residents on borehole water will be negatively affected. I object to the proposed WULA in terms of Section 21 (c) and (i) of the NWA.

Please indicate in which aspects you would require more information:

Please indicate the contact details of any I&APs whom you think should be contacted:

Name:		Surname:	
Tel:	()	Fax:	()
Mobile:	()		
Email:			

In order to register as an I&AP for this project, kindly fax, mail, or e-mail the completed registration form to Mandla Zuma at:
